7.11/91. Regd. Para 8 amre
The object of the C.R.B.

Sub-Committee is to advise
Govt on questions relating to
Exemptions from the CRB Rules.
The kinds of cases of exemption
to be referred to the Sub-Committee
have also been considered &
defined by Govt in G.O. of Oct 1928.
(vide 7e IV & the list annexed to it).
This list is exhaustive of all the possible
kinds of cases for exemption.

12) Cases of these kinds are
being generally taken up before
the Sub-Committee for opinion, particularly
~~many~~ referred cases for exemption in
respect of passing the deptl examⁿ,
app^t in existing vacancies without
adv^t, etc. Some cases such as
app^t of special candidates (qualified &
eligible) without adv^t, Confirmations or
app^t recom^d by the Heads of Depts, in
view of previous or long service & experience etc
are ~~however being~~ have been disposed of
by Govt alone, on prima facie strong

grounds.

13) One practical difficulty of ~~the~~ ^{every} case of exemption of any kind is to be referred to the Sub-committee. It would be that the cases, particularly those of applicants in existing vacancies would be held up & delayed, as the Sub-committee meets only periodically when there is a sufficient number of subjects for consideration, & further as the meeting fixed on a particular date may not come off or go through, owing to some unforeseen causes or circumstances, such as inconvenience of ~~some~~ ^{some} members to attend, or absence of some members at the meeting.

14) Now that the Revised Rules are coming into force, the exemption cases would be mostly in respect of possessing the qual^{rs} or passing the exam^{ns}, & there would, as a general rule, be no cases of exemption of applicants without ^{advertisement} ~~advertisment~~ or application or refer to the rule of recruitment & promotion vacancies. Under the new Rules, all candidates to be recruited must be only from the approved lists & must ordinarily start at the bottom of service: (vide Rules 10 & 11).

15) In referring cases to the

(A copy of the Revised Rules is placed below: (Reg. Cg.)).

6200

Sub-Com^{ee}, the main consideration ~~is~~ perhaps to be whether there is a point of CRB principle or policy involved in the case. All cases involving a clear departure from the settled or accepted principle or policy of recruitment may be required to be referred to the Subcom^{ee}. Cases which are prima facie clear & may be decided with respect to the general rules or principles in respect of granting exemption ^{from} certain rules need not perhaps go to the Subcom^{ee}, unless ordered or otherwise referred by the Chairman or the Govt.

16) The Rev. Commr (who is the Chairman of the Subcom^{ee} & is a member of the CR Board) may perhaps be consulted in the matter, unofficially.
